

Watson Hall Montessori School

to & Mixed Media Release Authorization Form

During school hours and events outside of school hours, photos and video will be taken of students, and families of students. The Watson Hall Montessori School reserves the right to use this mixed media for news releases, the school's website, school-related video and slide presentations, and marketing purposes.

The school will allow members of the media to take pictures of students during school activities for publication. At times, AT THE DISCRETION OF The Watson Hall Montessori School, photographers and or/ videographers will take photos/video of students for resale and make them available to students and parents/guardians.
